The above referenced property owner hereby applies for residential sewer service to the above referenced property.

In making this application, I/We do hereby agree to fully comply with and be bound by the rules, regulations, installation standards and specifications, policies and procedures set forth by the Brasada Ranch Utility Company (“BRUC”) builder’s packet. The builder packet is on file at 16986 SW Brasada Ranch Rd, Powell Butte, Oregon.

The required utility connection fee of **\$4,600.00** is attached and made a part of this application along with a compliance deposit of **\$1,000**, for a total of **\$5,600** made payable to BRUC. The compliance deposit is fully refundable upon the successful completion of the conditions set forth in the Policy Manual.

Further, the property owner shall be responsible for payment of monthly sewer utility rates designated by BRUC, upon connection to BRUC’s sewer system.

For questions concerning this application, please contact BRUC personnel at 541-323-6087.

I/We have read and understand the BRUC standards and specifications and agree to comply with all conditions of service required by BRUC, DEQ, and UPC. I/We further understand and agree that BRUC shall reserve the right to assess and withhold charges against the compliance deposit in the event of failure to comply with the required standards and specifications, including inspections, which result in additional service calls made by BRUC. If the initial deposit is exhausted all work shall stop until another deposit is made.
